

Schedule for the English programme students for the academic year 2018/2019
Anaesthesiology and Intensive Care

	Lecture	Practicals
1st week 12/02	General guidelines of anesthesiology and intensive care. Severity scoring systems – B. Fülesdi MD	Airway management - basic
2nd week 19/02	Respiratory insufficiencies: definition, causes, types and basic guidelines of treatment – B. Fülesdi MD	Airway management - advanced
3rd week 26/02	Oxygen therapy and arteficial ventilation – B. Fülesdi MD	Monitoring ventilation, O2 therapy and mechanical ventilation
4th week 05/03	Intensive treatment of the hemodynamically unstable critically ill – Gy. Koszta MD	Hemodynamic monitoring and support
5th week 12/03	General (intravenous and inhalational) anesthesia – A. Pongrácz MD	Advanced Life Support
6th week 19/03	Brain death and donor conditioning – Cs. Molnár MD	The diagnostic steps and treatment of acid-base disturbances
7th week 26/03	Sepsis and multiple organ failure – B. Fülesdi MD	Nutrition therapy
8th week 02/04	The treatment of the acid-base disturbances – P. Sárkány MD	Anesthesiological risk, premedication, OR and PACU
9th week 09/04	Life-threatening disturbances of fluid-electrolite balance. Guidelines of volume therapy – Á. Fábíán MD	Workload at the ICU. Transport of the critically ill
10th week 16/04	Regional anesthesia – L. Orosz MD	General anesthesia. Regional anesthesia and pain therapy

Lectures are held in Augusta Lecture Hall

Schedule for the English programme students for the academic year 2018/2019

Anaesthesiology and Intensive Care

**Simulation Center of the Medical Faculty
(Ophthalmology Clinic Building)**

1-5. weeks

Week	Practicals	Tutors	Monday	Tuesday	Wednesday	Thursday
1. 11/02- 15/02.	Airway management - basic	István, László MD Szilárd, Szatmári MD David Varga MD				
2. 18/02- 22/02.	Airway management - advanced	Mariann Berhés MD Béla Takács MD Krisztina Béczy MD	09:00-11:00	12:00-14:00	11:00-13:00	10:00-12:00
3. 25/02- 01/03.	Monitoring ventilation, O ₂ therapy and mechanical ventilation	Tamás Sotkovszki MD Zoltán Gyöngyösi MD László Asztalos MD	Group 6,11 12:00-14:00	Group 9	Group 7,8 14:00-15:00	Group 4,5 12:00-14:00
4. 04/03- 08/03.	Hemodynamic monitoring and support	György, Koszta MD Balázs Pálóczi MD István Máté MD	Group 1,12		Group 2	Group 3,10
5. 11/03- 15/03.	Advanced Life Support	Ákos Fábián MD Gábor, Sira MD Endre Hajdu MD				

Schedule for the English programme students for the academic year 2018/2019

Anaesthesiology and Intensive Care

6-10. weeks

	Monday	Tuesday	Wednesday	Thursday	Friday
8-9					
9-10		Lecture Weeks 6-10.			
10-11		Lecture Weeks 1-5.	Practicals	Practicals	Practicals
11-12			3a Juhász M. – Jánvári E. 3b Sira G. – Varga D. 9a Gál J. – Kovács V. 9b Pálóczi B – Oláh Zs	8a Szabó-Maák – Cservenyák 8b Asztalos – Javdani	6a Máté I- Balla B 6b Berhész – Papp L.Cs. 10a Pongrácz – Csernyák Z. 10b Zudor – Duris
12-13	Practicals	Practicals			Practicals
13-14	4a Tankó B. – Hajdu E 4b Sotkovszki T. – Varga E. 11a Fodor A. – Mihály E. 11b Szamos K. – Jakab Zs.	1a Fábrián Á. – Fedor M. 1b Koszta Gy. – Béczy K. 2a Siró P. – Farkas O. 2b Szatmári Sz. – Takács B.			5a László I– Nagy Gy. 5b Gyöngyösi Z– Venczel 7a Békési – Luterán 7b Végh – Farkas E.
14-15	Practicals				
15-16	12a Molnár Cs. – Szántó D. 12b Hallay J. – Papp E.				

On weeks 1-5 practicals are held at the Simulation Center of the Medical Faculty (Ophthalmology Clinic Building), whereas between 6th-10th week at the working place of the tutor.

Lectures are held in Augusta Lecture Hall

Anaesthesiology and Intensive Care

WHERE TO FIND YOUR TUTORS:

László, Asztalos MD: Surgical ICU, Augusta building
Gyöngyi, Békési MD: Surgical ICU, Augusta building
Mariann, Berhész MD: Surgical ICU, Augusta building
Ákos, Fábíán MD: Surgical ICU, Augusta building
Andrea, Fodor MD: Gynecology and Obstetrics
Judit, Gál MD: Neurosurgical ICU, Augusta building
Zoltán, Gyöngyösi MD: Surgical ICU, Augusta building
Judit Hallay MD.: Surgical ICU, Augusta building
Mariann, Juhász MD: Surgical ICU, Augusta building
György, Koszta MD: Cardiac surgery ICU, Augusta building
István, László MD: Surgical ICU, Augusta building
István Máté MD: Surgical ICU, Augusta building
Csilla, Molnár MD: Neurosurgical ICU, Augusta building
Balázs, Pálóczi MD: Surgical ICU, Augusta building
Adrienn, Pongrácz MD: Surgical ICU, Augusta building
Gábor, Sira MD: Cardiac surgery ICU, Augusta building
Péter, Siró MD: Neurosurgical ICU, Augusta building
Tamás, Sotkovszki MD: Cardiac surgery ICU, Augusta building
Zoltán, Szabó-Maák MD: Neurosurgical ICU, Augusta building
Katalin, Szamos MD: Surgical ICU, Augusta building
Szilárd Szatmári MD: Gynecology and Obstetrics
Béla, Tankó MD: Neurosurgical ICU, Augusta building
Tamás, Végh MD: Surgical ICU, Augusta building
András, Zudor MD: Cardiac surgery ICU, Augusta building
